

Primary Care Liaison

Health Funders Partnership of Orange County

Date: May 8, 2009

Job Title: Primary Care Liaison

Mission: To strengthen and enhance the system of Community Clinics in Orange County

About the Organization:

The Health Funders Partnership of Orange County is a collaborative of sixteen organizations whose mission is to enhance the impact and efficiency of health philanthropy and health service delivery in Orange County. Member organizations include foundation, corporate, private nonprofit and public sector funders. HFPOC is committed to creating and sustaining a comprehensive health care safety net for the most vulnerable members of our community.

About the Position:

This position is responsible for guiding implementation of the recommendations of Ray & Associates, a consultant who reviewed Orange County's community clinics. The report may be viewed on the HFPOC website resource page (www.hfpoc.org). This includes strategies to increase federal funding to Orange County's clinics through the expansion of, or creation of, new federally funded health centers (FQHCs).

Qualifications:

Thorough knowledge of:

1. Principles and practices of community and free clinic health services
2. Federal, state and local statutes and regulations governing clinic operations
3. Federally Qualified Health Center guidelines
4. Available community resources
5. Grant and budget preparation and administration
6. Managed care as relates to clinics
7. Project management analysis and evaluation

Skill and experience to:

1. Communicate effectively, both orally and in writing with community organizations, funding organizations, local political figures and varying levels of staff
2. Plan and organize to achieve program goals, objectives, productivity and effectiveness
3. Interpret and apply relevant policies, analyze problems and identify alternative solutions
4. Work cooperatively in support of the Orange County Primary Care Committee

Compensation: TBD based on skill level
