

Women's Outpatient Substance Abuse Treatment Program Director Mariposa Women and Family Center

Date: April 27, 2009

Job Title: Women's Outpatient Substance Abuse Treatment Program Director

Mission: Mariposa's goal is to help people create healthier, happier and more productive futures

About the Organization:

Founded 32 years ago in 1977, **Mariposa Women and Family Center** provides high quality, low cost mental health and substance abuse counseling, life skills, and supportive services to women and families who otherwise would be unable to afford the help they so desperately need. Over 93% of the people Mariposa serves have low to extremely low incomes. Whether the issues are domestic violence, childhood abuse, depression, anxiety, loss of a loved one, substance abuse, anger management, parenting difficulties, low self-esteem, communication problems, or other life challenges, Mariposa's counselors have been there to help.

About the Position:

Mariposa Women and Family Center, a long established and highly respected provider of mental health counseling services including substance abuse treatment services for women, is seeking a Women's Outpatient Substance Abuse Treatment Program Director. The position is either 32 hours/week (full-time) part management/part counseling or 20 hours/week (part-time) only management. Mariposa is looking for a compassionate, flexible person who will fit in a teamwork oriented, nurturing environment.

Qualifications:

Required: alcohol and drug certificate and Masters in Counseling, Social Work, or comparable area, at least five years of clinical and management experience, and excellent people skills; highly desired: licensed MFT and personal recovery experience.

Compensation: TBD based on qualifications and previous salary history
