

## SERVICE- LEARNING LESSON

**Project Name :** Educational Games

**Grade Level:** 2nd grade

**Time Needed:** Semester project

**Advanced Preparation:** None

**Project Description:** Students will raise funds to purchase educational games to donate to North Hills Learning Center.

Students will sell snacks at recess to raise funds. They will keep a daily log of funds raised.

Students will create posters and announcements about their fundraiser.

Students will measure, package and sell items

Students will compare sales of different items to determine what are their best selling products.

Students will create sales graphs and charts.

Total funds raise and purchase games for learning center

**Community Need(s):** Overall 2<sup>nd</sup> grade math skills are low. Students need hands on, interactive ways/ activities to reinforce math skills. Our students will provide needed hands on ways for local Learning Center.

**Community Partner:** North Hills Learning Center

**Student Voice:** Students will brainstorm ideas and determine how funds will be spent.

**California Content/Skill Standard(s):**

**Math**

**Number Sense**
